3. Evaluation continued of the Joint Operations Graphic (JOG) for its suitability as a base for the Special Intelligence Graphic (SIG). Personnel from GD/S and GD/F met with AMS representatives and discussed problems involved in use of the JOG. It was agreed to use the "Ground" edition, and AMS will determine what technical problems are involved in omission of the color tints showing elevations.

4. Geographic intelligence support of two technical intelligence collection projects planned by ORD/DIS and T was the subject of two meetings with ORD personnel. Branch personnel met with [redacted] of the Physics and Chemistry Branch of ORD, and research was then initiated [redacted] On 31 May, [redacted] of the [redacted] met with Branch personnel to determine if a study could be made [redacted] will prepare a statement of requirements for transmittal through channels from ORD to OGI.

6. Significant Outside Contacts and Activities

1. [redacted] were briefed by [redacted] OGI, on new developments relating to [redacted] at Aberdeen Proving Grounds on 26 May.

3. [redacted] briefed two groups of OGI personnel on the Intelligence Map Program.

4. [redacted] met with [redacted] of FID to discuss the intelligence potential of [redacted] with particular reference to our geographic intelligence requirements. OGI/OR is the recipient of [redacted]

5. [redacted] provided [redacted] with references to useful guidebooks and directories on Tashkent and Leningrad for inclusion in [redacted]

6. [redacted] provided Mr. Hollingsworth, AMS, with references to source materials on the Soviet cities of Orsk and Ussuriysk.

7. [redacted] provided information on Soviet air timetables to Dr. Etzel Pearcy, The Geographer, Department of State.

8. [redacted] supplied information to [redacted] FID, on a location in the Moscow area.
